Just smile for me and let the day begin.
You look at me and I begin to melt.

You are the sunshine that lights my heart within.
just like the snow when a ray of sun is felt.

And I'm sure that you're an angel in disguise.
And I'm crazy 'bout you, baby, can't you see?

Come take my hand and together we will ride.
I'd so delighted if you would come with me.

1st time only

On the wings of love, up and above.
the clouds; the only way to fly is

on the wings of love. On the wings of love, only the two

of us together flying high;

flying high up on the wings of love.

and I'm yours exclusively.
And right now we live and
breathe together.

We're flowing like a stream running free traveling
On the wings of love, up and above the clouds; the only way to fly.

On the wings of love, only the two of us together flying high;
